

Account - Resetting Password

If you registered using your email address (i.e., not using the Facebook option), click on **Forgot password?** from the [login](#) ⁽¹⁾ screen.

The screenshot shows the Hydrawise login interface. At the top center is the Hydrawise logo, a blue water drop with a green leaf. Below the logo is the text "Login to Hydrawise". There are two input fields: "Email" and "Password". To the right of the "Password" field is a link that says "Forgot password?". Below the input fields is a green "Log in" button. Underneath the button is the text "Or via" followed by a Facebook logo. At the bottom of the login box, there is a link that says "You don't have an account? Register Now!".

On the next screen, simply type in your registered email address and click **Reset Password**. You will then receive an email. Click the password reset link and enter in your new password. Confirm the password and you should be good to go again.

Reset your password

Enter your email address below and we'll send you an email to reset your password.
