

How can I register as a contractor?

To register as a contractor, you'll first need to sign up for an account. You can do this without purchasing a controller.

1. From the Hydrawise [home page](#) ^[1], click on **LOG IN** at the top right of the page.
2. Select **REGISTER** at the bottom right corner to fill out the online form.
3. You will be asked to fill out the following:
 - **Name**
 - **Email**
 - **Irrigation Business name**
 - **Phone for customers to contact you**
 - **Business location**
 - **Business Website**
 - **Business Description**
4. Lastly, **check the box** if you would like your details visible online.

STEPS 3-4

Register for an account

Create an account here to configure your Hydrawise or Hunter HC controller. You don't need to have purchased a controller - you can do everything as though you owned a controller except for the watering bit!

Once you have your Hydrawise or Hunter HC controller, simply enter its serial number into your account and it will download your settings and start saving water immediately.

Are you a landscape or irrigation contractor?

Irrigation contractors are automatically signed up to our Contractor Starter plan which allows you to manage your customers' irrigation controller from your Contractor Dashboard.
