

Account - App Configuration

We've designed our system to be as easy as possible to use, and have included articles online for most major functions that you'll want to perform with your controller.

Register for an Account Online

1. If you have not already done so, create an account at the Hydrawise website.
2. Go to Hydrawise.com ^[1] and register for an account.

Log in to Your Account

1. Log into your account [here](#) ^[1]. If this is the first time that you have logged in, you will be guided through a setup wizard to help you with initial configuration of your controller.

Support

1. Use this [link](#) ^[2] for all support for your Hydrawise system.
