How can I manage my customers controllers?

Information about the status of your customer's controllers will show up in the contractor portal like the screen capture below:

- 1. Sign in to your <u>Hydrawise account.</u> [1]
- 2. Click on the **MSM** (Multi-Site Manager) icon (a) on the upper right-hand side of the app. If accessing from a web browser, click on the (a) on the upper right-hand side.
- 3. Select HOME.
- 4. In the **CONTRACTOR DASHBOARD** section, you can monitor customers controllers using the following information:
 - Top 3 alerts (see possible alerts for more info)
 - Total watering time for customers
 - Water Savings
 - Total Customers
 - Customers pending waiting for the customer to accept contractor as manager.
 - Controllers Online Connected to the internet
 - Controllers Offline Not connected to the internet
