

How do I remove a customer?

From your Multi-Site Manager on the upper right (), follow the instructions below:

1. Click on the customer you want to remove in your **MY CUSTOMERS** list.
2. Click the **EDIT ICON**.
3. Click on **REMOVE FROM MY ACCOUNT**.

Steps 1-3

The screenshot shows the 'Customers and Controllers' page. On the left, there is a 'My Customers' list with a search bar and several entries. The entry for 'Hunter Hydra' is selected, and its context menu is open, showing the 'Remove From My Account' option. A red box highlights this option, and a red arrow points to it. The map on the right shows the Pacific Northwest region of North America, including British Columbia, Washington, Oregon, Idaho, and Nevada.
