

Account - Adding a Controller

For information on adding a controller to your account on the PC, please see the steps and screenshots below:

1. Select the **"My Account"** drop down on the upper right hand side on the dashboard.
2. Select **"My Controllers."**
3. Click the **+** button in the my controllers section.
4. Add the new controller by inputting the name, serial number, location and model.
5. Click **"create"**.

Plan	Max Controllers
