

How can I change my logo on contractor account?

Contractors can now add their business logo to the Hydrawise system. This feature will add personal company branding to all the customers in their account settings. The logo will appear above the controller name on the upper left hand side of the dashboard.

Please view the steps and screenshots to access this feature:

1. Click on the **MANGER** icon on the upper right hand side, then select **BUSINESS PROFILE**.
2. Select the **EDIT BOX**.
3. Select **CHANGE PICTURE** to download your business icon.
4. Logos will now appear on their customers **MY ACCOUNT DETAILS**.

Step 1

The screenshot shows the top navigation bar of the Hydrawise dashboard. On the right side, there is a user profile icon with a dropdown arrow. A dropdown menu is open, listing several options: 'MULTI-SITE MANAGER', 'Home', 'My Customers', 'Customer Events', 'Customer Wide Settings', 'Generate Job Sheet', and 'Business Profile'. The 'Business Profile' option is highlighted with a red rectangular box. Below the menu items is a green button labeled 'Add New Customer'. The background of the dashboard is partially visible, showing a 'Remote' tab and some text about configuring a controller.
