

HC - How Do I Find My HC Controller's Serial Number?

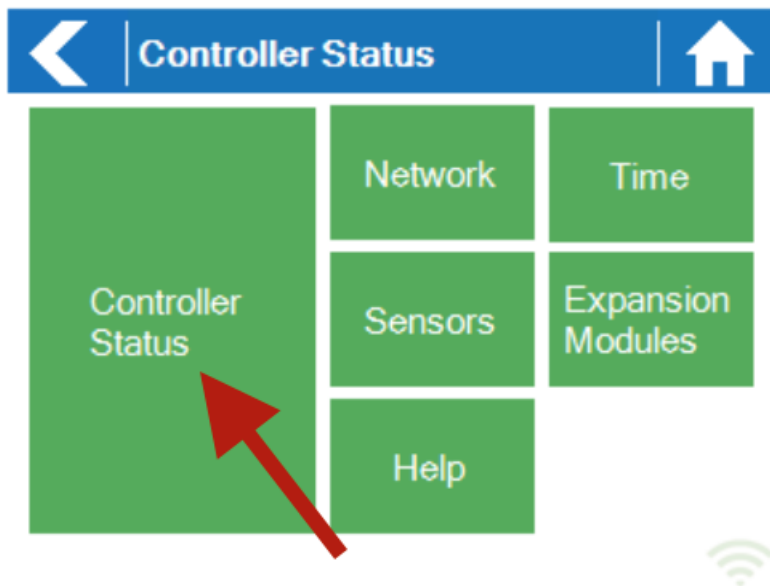

Your controller's serial number can be found on the rear of your controller or on the controller's touchscreen.

To access the serial number on the touchscreen follow these steps:

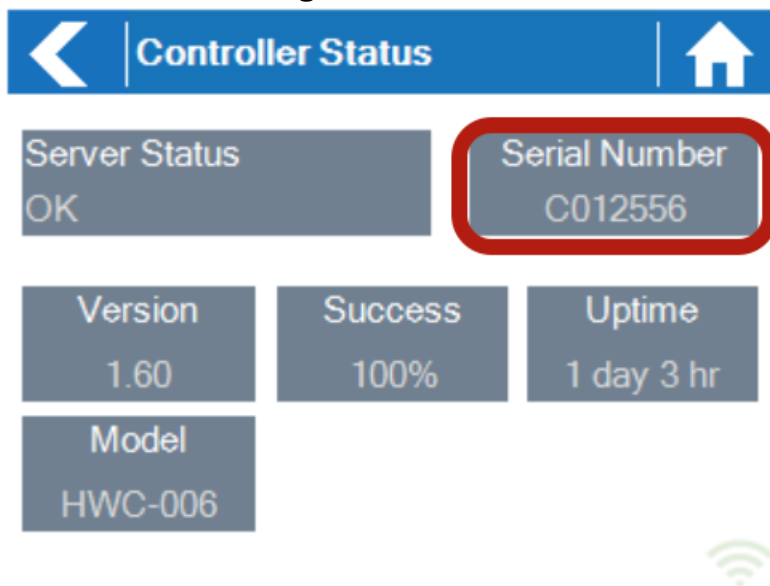

1. From the Home screen touch on **Status**

2. Touch on **Controller Status**

3. The serial number is shown on this screen. Note that the serial number only contains the letters **A through F** and the numbers **0 through 9**.

if you haven't already mounted your controller to the wall, you can find the serial number on the back of the unit.
