

Adding Files in the Software

In the **ACCOUNT DETAILS** section, you can upload files (e.g; photos, pdf's) which are useful in managing your landscape. For example, you might like to add a picture which shows the layout of your garden and zones to have a reference.

To add a file, please view the steps and screenshots to access this feature:

1. Click **MY FILES** under the account settings tab on the upper right hand side.
2. Click **ADD NEW FILE**.
