

Apps and Videos to Help Determine Wi-Fi Strength

A reliable Wi-Fi connection is necessary to operate Hunter Wi-Fi enabled products. The following apps can help you test Wi-Fi signal strength at your location.

Phone	App Download
iPhone [®] Devices: Using Airport Utility App	 <p>[1]</p>
Android [™] Devices: Using WiFi Analyzer App	 <p>[2]</p>

The Hunter videos listed below are the best source of knowledge for Hunter Wi-Fi enabled products, including Hydrawise irrigation management controllers, Centralus [3] irrigation management controllers, and Luxor [4] lighting management controllers.

Wi-Fi Fundamentals: What You Need to Know to Look Like a Pro

This training video covers the basics of Wi-Fi management.

- 1:22 [5]: Introduction
- 6:26 [5]: Overview of Presentation

- [8:49](#) ^[5]: The Language of Wi-Fi
