Training - How to Sign-Up

How to Sign-up?

User must first register a new account with an active e-mail account at [Create New Account](#) ^[1]

I signed up for an account, but it says my e-mail address is not confirmed.

This e-mail is automatically sent from info@hunterindustries.com ^[2]. Please add this e-mail address to your safe e-mail list.

How do I enroll in courses?

Once you have registered and received your confirmation e-mail you can sign in and enroll yourself in available open courses.

Who can I contact for help?

For any additional course questions please send an e-mail to training@hunterindustries.com ^[3]

Training - Hydrawise Specialist

Learn the features and benefits of Hydrawise-enabled controllers and the basics of the Hydrawise software. This program shows you how to get started using the Hydrawise software, and controllers, and how to take advantage of the contractor portal.

Click [here](#) ^[4] for enrollment.
