How do you update the business details?

As a landscape irrigation contractor, you can update your business details at any time through your account. Keeping your contact information up to date is important to keep your business growing in the market. To access this feature, please review the simple steps below.

- 1. Sign in to your Hydrawise account. [1]
- 2. Click on the **MSM (Multi-Site Manager)** icon () on the upper right-hand side of the app. If accessing from a web browser, click on the () on the upper right-hand side.
- 3. Select BUSINESS PROFILE.
- 4. You will be able to edit any of the following:
 - Add or Change Picture
 - Business Name
 - Phone or Email
 - Business location (office street address)
 - Website
 - Business Description This description will appear next to your business in our list of Hydrawise contractors
- 5. Finally, check the box if you would like your details **visible online** for homeowners to find your details.

How can I change my logo on contractor account?

Contractors can now add their business logo to the Hydrawise system. This feature will add personal company branding to all the customers in their account settings. The logo will appear above the controller name on the upper left hand side of the dashboard.

Please view the steps and screenshots to access this feature:

- 1. Click on the MANGER icon on the upper right hand side, then select BUSINESS PROFILE.
- 2. Select the EDIT BOX.
- 3. Select **CHANGE PICTURE** to download your business icon.
- 4. Logos will now appear on their customers MY ACCOUNT DETAILS.
